
HAPPY DAYS AGAIN! BACK IN THE RIVER

We are partnering with Clydebuilt Festival again this year to take part in the Castle to Crane race on Saturday 7 September. The iconic race kicks off at Sandpoint Marina in Dumbarton, and ends at the Finnieston Crane. The Skylark crew will have a stall on the shore with activities and an opportunity to chat to the team.

Although we're still a few strokes away from having our own Skylark Community Rowing School to compete, we are offering our St Ayle's skiff *Happy Days* to another team to

participate who are unable to access or provide their own rowing boat. It is, of course, in the Skylark IX spirit to help out whenever and however we can!

WANT TO GET INVOLVED?

Please get in touch with us to find out more about our projects and partners, and how you can get involved - skylarkinfo@alternativeswd.org
