
SKYLARK IX TAPESTRIES ON TOUR

The incredible tapestries, made by local members of our community are once again being showcased to the public. The twelve emotive works of art were on display at Faifley and Duntocher Parish Church throughout June and July to commemorate Armed Forces Day. Reverend Gregor McIntyre shared the Skylark IX story to his congregation during the Sunday service, and churchgoers then had the opportunity to

appreciate the tapestries and learn about the history behind each one. If you know of a local venue who would be interested in displaying the Skylark IX tapestries, please get in touch with us at skylarkinfo@alternativeswd.org

DUNKIRK MEMORIAL CONCERT

The Skylark IX Recovery Trust led another successful Dunkirk Anniversary Concert on 5 June at the Denny Civic Theatre. The theme for this year's annual fundraiser was '*Journeys*', and we were joined by participants from all areas of the community including local schools and choirs for an evening of poetry, music and song. Through a combination of ticket sales, donations and programmes, we raised over £673.
